

# Photobooth Props!

Make your very own Lemon Ribbon photobooth props in 3 easy steps!

# How to make the props

## You will need:

- Materials to colour in the templates e.g paint, pencils, felt tips
- Scissors
- Glue or tape
- Wooden skewers or anything that can be used as a stick

1. Cut out the templates on the next 2 pages
2. Colour in or paint the objects
3. Use the tape to attach the sticks to the back of the cutouts

Use the photos on the previous page as a reference for colour and layout
